Payment of annual subscription by instalments

I wish to pay my / my family's annual subscription by monthly instalments.

I understand and undertake that in using this scheme:

- Instalments will be collected by direct debit on the first business day of each month.
- The annual subscription/s must have been fully paid by the instalment due on the first business day of August.
- Any default will render the remaining balance of instalments immediately due and payable.
- A leaver during the year will still be liable for the balance of the subscription still outstanding.
