The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

A boat and the owner and the person in charge (the boat) are entirely responsible for their own safety, whether afloat or ashore and nothing whether in this notice of race or the sailing instructions or anywhere else, reduces this responsibility. It is for the boat to decide whether it is fit to sail in the conditions for which it will find itself. By launching or going to sea, the boat confirms that it is fit for these conditions and that its crew is competent to sail and compete in them.

Nothing done by the organisers can reduce the responsibility of a boat; nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have

occurred, as a result of the boat having taken part in the racing. The organisers encompass everyone helping to run the race and the event, and include the organising authority, its officers and staff, the race committee, the race officer and assistants, the patrol or rescue boats and beach masters.

The provision of safety, patrol or rescue boats does not relieve the boat of its responsibilities. The fact that a race committee may conduct inspections of a boat does not reduce the responsibilities set out in this paragraph.
